Program Requirements: A driving course may not be completed in less than 5 weeks. **All course requirements must be completed within 4 months.**

• **Classroom Sessions:** State law requires that students be 15 years old by the first class. Students cannot miss more than 3 classes and cannot enroll after the third class. A parent informational session will be held and intermediate licensing laws discussed. Organ donation is included in our curriculum. Students are required to complete a workbook. Lost/replacement workbooks are \$10. By WA State law, if a student misses a fourth class or is not complete with all requirements in 4 months, the student will be dropped from the program and will need to purchase a new course to start from the beginning. We do offer a 2 month extension from the completion deadline at \$87 if a student needs additional time to complete the course. Behind-the-wheel driving lessons are scheduled separately from the classes and typically extend beyond the last day of class. **Initials: _____**

• **Driving Appointments:** Schedule your drive appointments using www.scheduleagent.com. Appointments must be rescheduled at least 2 business days (48 hours) in advance to avoid a fee. You will be charged \$60 if it is cancelled late, do not bring a valid learner's permit, or fail to show up for the drive. Students must pass a driving exam. Extra drives, whether desired or required, are \$60 each. **Initials: _____**

• **Course Completions:** Upon successful completion of all tests and activities required for our program and upon the payment of tuition and fees, we will enter your course completion in the DOL database. **Initials: _____**

• **Refunds:** All refunds are subject to a processing fee of \$15 if requested before the first day of class. 50% of tuition will be refunded if cancellation occurs on or after the 1st day of class, but before the 2nd class session. There are no refunds after the 2nd class or if a permit waiver has been issued. If you need to transfer classes, you must request it at least 7 days before the 1st day of class. **Initials: _____**

Intermediate Driver License Laws for Teen Drivers

If you're **under 18**, you'll be issued an intermediate driver license and must follow these laws:

- **Driving with Passengers**

- **First 6 months:** *No passengers under 20 years old*, except for immediate family members (spouse, child, stepchild, or siblings, both by birth and marriage).
- **Next 6 months:** *No more than 3 passengers under 20 years old* who aren't members of your immediate family.

- **Nighttime driving**

For the **first 12 months**, you can't drive between 1 a.m. and 5 a.m. unless you're with a licensed driver 25 years or older.

The **only exceptions** are driving for agricultural purposes and transporting farm products or supplies under the direction of a farmer as described in [RCW 46.20.070](#).

- **No cell phones**

You aren't permitted to use wireless devices while driving, even with a hands-free device. This includes talking on cell phones and sending or receiving text messages. You may only use a wireless device to report an emergency.

These restrictions won't apply after you turn 18 years old.

Penalties for violations and accidents

- **First violation:** Passenger and nighttime restrictions will apply until you're 18. We'll send a warning letter to you and your parent/guardian for the following:
 - Get a ticket for violating the restrictions.
 - Get a ticket for violating a rule of the road.
 - Are involved in an accident where:
 - You get a ticket or are determined to have caused the accident.
 - No one involved in the accident receives a ticket.
 - The cause of the accident can't be determined.
 - Only your car was involved in the accident.
- **2nd violation:** License suspended for 6 months (or until you're 18, whichever comes first). We'll notify you and your parent/guardian before we take any suspension action.
- **3rd violation:** License suspended until you're 18. We'll notify you and your parent/guardian before we take any suspension action.

Note: We don't determine who caused an accident. If you'd like a copy of your collision report, contact the Washington State Patrol records division at 360.570.2355.

Warning letters and penalties until age 18

Once you've driven safely for 1 year the passenger and nighttime driving restrictions expire, but the other violations will apply until you're 18.
