

Knowledge Test Study Guide

Ways to study for the knowledge test:

1. Study the [Washington State Driver's Guide](#) carefully, as the knowledge test is based on this document. We've also compiled a list of important [Numbers to Know](#). There will most likely be at least 4-5 road signs on the test, 2-3 questions regarding alcohol and driving and 1-2 questions on drugs/marijuana. Please note that the term "*inattention blindness*" refers to distracted driving.
2. Take the [DOL Practice Test](#). There are five questions that will give you an idea of how the test questions are formatted.
3. Study the [Knowledge Test Quizlet](#). If you need more help studying see the Knowledge Test Prep course below.
4. Enroll in our online [Knowledge Test Prep](#) (extra cost). This course focuses instruction on the Driver's Guide concepts and includes over 100 test questions to ensure you've learned the material and will later pass the Knowledge Test on the first attempt.

How to take the Knowledge Test:

1. To purchase the knowledge and/or skills tests please go to our website www.driving-school.com and click on the Approved DOL Testing button and select your location and testing package or click on this link: [Driver License Testing](#).
2. Schedule your Knowledge Test at www.Driveato.com (must have purchased prior to scheduling). Click [here](#) for locations and times of the Knowledge Test.
3. Arrive a few minutes early for your appointment to take the electronic knowledge test (no paper tests). You must bring a cell phone or tablet logged into your License Express account showing "Take an Exam". You must have mobile data or a hotspot for your personal device to be connected to Wi-Fi for the duration of the test. Please visit this link to get more [information](#) on what to bring to the test.

Please Note: The Washington State Knowledge Test has 40 questions on it and you must score at least 80% to pass.

After passing the Knowledge Test, you'll be eligible to take the driving Skills Test. Here's the [Skills Test Study Guide](#).
